

Express Contracts
IN PARTNERSHIP WITH VÓLARO

Turn signed contracts into bookable fares in hours

Improve efficiency | Accelerate revenue generation | Increase customer satisfaction

UNLOCK THE FULL POTENTIAL OF YOUR FARE FILING TEAM

Express Contracts enables revenue management teams to embrace the power of automation of some of the industry's most complex private program data, freeing up resources to focus on greater value-added activities.

In today's market, fare filing teams are looking for ways to do more with less. With existing teams focused on keeping up with demand as businesses travel begins to resume, many airlines do not have the resources necessary for training new hires in the complexities of manual coding.

"Implementing Express Contracts meant that our small team could handle many more contracts in a fraction of the time and making core pricing strategies changes, feasible."
